# M. Haseeb Amjad

Front-end Developer | Meta Certified in HTML, CSS, JavaScript  
Rawalpindi, Punjab, Pakistan

## Summary

- Experienced Front-end Developer Focused on Crafting Intuitive & High Performing Web Apps -

I'm currently a student at COMSATS University Islamabad, pursuing a degree in Software Engineering and amped to leverage my skills in the real world. With a strong foundation in web technologies and a flair for creating delightful user experiences, I thrive on turning ideas into elegant, functional interfaces.

### Key Skills:

- ◆ Meta Certified with 3+ years of experience building intuitive interfaces using HTML, CSS, JS
- ◆ Expertise in UI/UX design using Figma and prototyping tools
- ◆ Proficient with version control systems like Git and GitHub
- ◆ Well-versed in performance optimization techniques for faster site speeds
- ◆ Hands-on experience with build tools, automation, and Continuous Integration
- ◆ Strong analytical and problem-solving skills to iteratively enhance products

### Experience Highlights:

- ◆ Developed personal portfolio website to showcase skills and landed first clients
- ◆ Contributed as junior developer at CBT College Rawalpindi, building their site from scratch
- ◆ Worked on 4+ university projects including an online shopping application
- ◆ Regular open source contributions including React libraries with 10k+ downloads

#### Testimonial:

"Haseeb consistently delivers robust, well-designed front-end code on time and under budget. He has strong attention to detail and his expertise has been invaluable on many projects." - CEO, Code Brew Labs

I'm seeking new challenges to apply my skills. I'm particularly interested in opportunities involving innovative technologies and collaborative teams. to discuss how we can work together.
